

'THE MIRACLE MAN'

On Friday 1st of June 2012, my husband Melvin had a backache. The doctor gave him an injection and some medication. It did not work. Instead he vomited throughout the night. His condition continued to worsen. Eventually we ended up at a private hospital in Penang. At the hospital they found out that there were 3 blockages, the 1st was 100%, the 2nd was 99% and the 3rd was 95%. After this the doctors did an angioplasty on 1st block intending to do the other two later. Six days later, at about 11am, Mel collapsed in the ward toilet.
